

A large circular graphic is centered on the page. It features a stylized globe in shades of green and blue, with a textured, fabric-like appearance. The globe is set against a background of various textile patterns, including stripes and solid colors, all in a light, muted color palette. The overall background of the entire page is a dense, overlapping pattern of white and light grey fabric scraps and ribbons.

EURATEX

**Signed Voluntary Commitments from industry associations  
of the textile value chains who Welcome, Act and Commit**

The undersigned companies wish to:

**WELCOME** the effort of the European Commission President Ursula Von der Leyen to launch a green deal and a new Circular Economy Action Plan for sustainable resource use in textiles.

In our role of representative organisation of the textiles value chain, we already **ACT** and explore solutions for sustainable resource use as of insights shared hereafter.

We therefore wish to **COMMITT** to keep working in the pursue of sustainable resource use and offer to contribute with our lessons learned to build up a new Circular Economy Action Plan.
